Dear Bobbie,

With budget preparations behind us and implementation in full swing hopefully everyone is doing well. I know the economy and budget shortfalls continue to be a major concern for each and every community across the commonwealth. With that in mind, the KCCMA Legislative Committee in conjunction with the KCCMA Executive Board recently sent correspondence to the Kentucky League of Cities Board of Directors focusing on the urgent need for pension reform. Specifically, we called to their attention the need to study more indepth a Stacked Hybrid Pension Plan. To view the letter please select [Pension Reform Correspondence](#). Members who would like to learn more about the Stacked Hybrid Pension Plan and the impact of new GASB Rules that will affect pension reporting should read the information associated with the following link [KLC Pension Research Brief](#).

In other legislative issues, the Kentucky League of Cities released a very informative 2012 Legislative Update and held a variety of meetings across the state to keep everyone informed. In the event you missed this meeting you can download a copy of their Legislative Update by clicking [here](#). I would also like to take this opportunity to express my sincerest appreciation to everyone who has served on the KCCMA Legislative Committee. I know each of you have been working diligently to make sure we stay up to date on a variety of important issues, including the last minute bills that were filed this past session to include changes to the [Policeman Bill of Rights](#). All your efforts are greatly appreciated.

As you are aware, on July 13, 2012 we held our Region 1 meeting in Hopkinsville, KY. The turnout was wonderful and it was so nice to see so many in attendance. I hope each of you were able to take back something informative from the meeting. A special thank you to Glenn Abee and Mayor Kemp for their hospitality and for providing such a wonderful lunch, a beautiful meeting location, and some really nice welcome gifts and door prizes for those in attendance! Mark your calendars now for our meeting at KLC in October, and our Region 2 meeting to be held in Lebanon, KY on November 9, 2012. Plans are still in the works for a Region 4 meeting in September. Please be on the lookout for more information coming to your inbox soon on all future meeting dates. We would love to see each of you at all of our upcoming meetings, conferences, and events. Please review a copy of the minutes from this meeting in case you missed it by clicking [here](#).

I also would like to thank the members of the Executive Board and KLC Staff Member Bobbie Bryant for all their hard work in moving KCCMA forward. During late 2011 and early 2012 we were focused on planning the Winter Conference and now hold conference calls once a month to make sure we are staying abreast of legislative issues, plans for regional meetings, conference needs, newsletters, and general membership issues. Please feel free to reach out to any member of the Executive Board and provide us with your thoughts and comments about the organization and its direction. Our efforts are only good if we are meeting the needs and wants of the KCCMA membership. Your feedback is welcome and important to us.

On behalf of the KCCMA Executive Board, we look forward to seeing each of you in the near future. In the meantime, please do not hesitate to contact us if we can be of any assistance to you.

Thank you!

Jill
